

# Online healthcare interpreter training

Healthcare interpreters are essential members of healthcare teams, creating connection between healthcare providers and patients with limited understanding of English. Interpreters ensure that good communication is part of quality medical, dental, and behavioral health care.

## Open to the community!

- Learn to be an Oregon healthcare interpreter
- Serve your community by providing in-demand interpreting services
- Put your skills in a second language to work

**About our instructor:** Betzabé H. Turner is a certified court and healthcare interpreter/translator and a licensed trainer of medical interpretation and cross-cultural communication. Learn more about her at <https://voiceassociates.com>.
